

License Agreement

NOTICE TO USERS: CAREFULLY READ THE FOLLOWING LEGAL AGREEMENT BEFORE YOU INSTALL OR USE THIS SOFTWARE. INSTALLATION OR USE OF THE SOFTWARE PROVIDED WITH THIS AGREEMENT ("CDCOM") CONSTITUTES YOUR ACCEPTANCE OF THESE TERMS. IF YOU DO NOT AGREE TO THE TERMS OF THIS AGREEMENT YOU ARE NOT ALLOWED TO INSTALL OR USE CDCOM.

COPYRIGHTS.

CDCOM is copyrighted, and all rights therein are reserved for the National Expert and Training Centre for Breast Cancer Screening and the Radboud University Nijmegen Medical Centre. Installation or use of this product does not transfer any right, title, or interest in CDCOM except as specifically set forth in this agreement. LICENSE GRANT. CDCOM v1.6 is freeware. It can be used free of charge for an unlimited time. It may be redistributed in its original form as long as the manual is included. You are specifically prohibited from charging a fee, or requesting donations, for any such copies, however made. If you combine CDCOM with other products (commercial or otherwise) you must indicate that CDCOM is not part of the product and can be obtained for free from the EUREF website (www.euref.org).

PUBLICATIONS.

You are allowed to use the results of CDCOM in publications. When using the results of CDCOM in publications you must reference this manual and indicate which software version was used.

LIMITED WARRANTY.

CDCOM is provided on an "as is" basis. Although CDCOM was developed in an effort to facilitate the automatic readout of CDMAM images, no warranties are made on the reliability of the results. The results for CDCOM are known to be different from the results for human observers. These results therefore should never be used directly in combination with limits set for human observers. In case of doubt human observers should always be used to determine contrast and detail visibility. EUREF, the National Expert and Training Centre for Breast Cancer Screening in the Netherlands and the Radboud University Nijmegen Medical Centre can not be held responsible for the consequences of using this software. No party involved in the development or distribution of CDCOM shall be liable for any direct or indirect, consequential, or incidental damages arising out of the use or inability to use CDCOM, even after having been advised of the possibilities of such damages or claims. Although the developers are always interested in information on problems or potential bugs concerning CDCOM, no statements are made on the availability or funding of developers to resolve such problems. The person or organisation using this software bears all risk as to the quality and performance of CDCOM.
